Efficient and Effective Endodontics
Enhance Your Practice and Skills Through Endodontics

Course Description:
This comprehensive hands-on course will take you through all the aspects needed to take your practice to the next level by utilizing the latest and most efficient endodontic techniques. In just one day, you will gain practical skills that can be immediately incorporated into your day to day workflow. With these fresh techniques, you will build confidence in your endodontic outcomes and trust that they will be consistently successful.

Objectives:
- Learn key indicators for endodontic diagnosis and case selection
- Gain a greater appreciation for access and canal preparation
- Work with the latest tools for efficient endodontic shaping
- Explore the available options for effective irrigation
- Experience state of the art methods for delivering warm, flowable gutta-percha

Spring CE Series:
March 4, 2016
8 a.m. - 5 p.m.

Featured Speaker:
Karl Woodmansey, DDS
Dr. Karl Woodmansey has been an active contributor to the dental profession, both locally and nationally. He has achieved "Fellowship" in the Academy of General Dentistry, the Academy of Dentistry International, the American College of Dentists, the International College of Dentists, and the American College Health Association. He is also a board-certified "Diplomate" of the American Board of Endodontics. His research interests are broad, with emphases in clinical applications of technology.
Dr. Woodmansey earned his D.D.S. from Baylor College of Dentistry in 1989. As a general dentist, he was employed as the Director of Dental Services for the Montana State University Student Health Service from 1991 to 2006. After 17 years of general dental practice, he returned to Baylor to complete a Certificate in Endodontics and in 2011, he accepted a full-time faculty appointment at Baylor College of Dentistry. Dr. Woodmansey is currently the Program Director for Graduate Endodontics at Saint Louis University.

Course Cancellation Policy: DENTSPLY Tulsa Dental Specialties reserves the right to cancel a course up to three weeks prior to the course date. If course cancels, the registration fee will be refunded in full. It is advisable to call and confirm course status before booking travel.
